

LEI direct

LEI registration

Get your LEI in 3 steps – Step 1: Registration

You need a user account for your LEI application. All you need to do is [register](#).

Please fill in the required fields and submit your registration. You will receive a confirmation E-mail to complete your registration right after.

Simply click on the link contained in the email and you will be forwarded to your user account automatically.

Note: If you do not receive an email reply immediately, please also check your spam folder.

Your user account

The user account is not required for registration, but the LEI services section is your control centre for managing your data and LEIs. As soon as you are logged in, you can, for example, apply for one or multiple LEIs, renew the term of existing LEIs, change master data and your password or [port](#) an LEI from another provider to GS1.
